Vacation Cottages at the Lakes

Amenities Galore

Be one of the first to own a customized Park Model Home on your privately owned lot at one of the most exclusive resorts in Eastern South Dakota. The Vacation Cottages at the Lakes will offer premier amenities and facilities providing a tranquil, relaxing atmosphere.

- Located in the center of the Lakes Community
- Fully customizable lots
- Spacious lots, private beach and a beautiful golf course grace the property
- Swimming pool and community center
- TV satellites and Wi-Fi allowed
- Staff available to address every need
- Property requirements as established by the Association, covenants & restrictions apply

Unique to the Midwest, this is a property ownership and not a timeshare. Your property ownership is fully transferable at any time, and can be customized to your own design. We can even help you with the site design including patios or three season rooms - however you like to relax!

Vacation Cottages at the Lakes is part of a Premier Resort Community including the Lakes Lodge, the Lakes Golf Course, the Lakes Restaurant, and the Lakes RV Resort.

Each property is customizable to fit your special interests and needs. Whether you are interested in getting a few private hours of relaxing around your campfire with your friends or leisurely sitting in your hot tub in the late evening. You design your living space to your lifestyle. Site design consulting and contractor referral is available to make your property vision a reality.
